

National Chamber Week—Barb Thomas

National Chamber of Commerce Week was held September 11-15, 2006. Sullivan Chamber and Economic Development wanted to thank all their own members this year with ANOTHER first time successful event, a Drive Thru Breakfast served by the finest members of the Chamber Committee. The breakfast was held on Wednesday, Sept. 13th and breakfast was served to over 40 members. Of course, the committee couldn't stop so for the members who couldn't make it, breakfast was delivered to their office. The chamber committee felt it was important to thank each member for their support and dedication to the SCED. This organization IS successful because each member sees the importance of the SCED and how it helps each business grow and help their own employees. All who drove thru were entered into a drawing for some great prizes. Here are the following winners who can pick up their gift at the SCED office:

Coyote Cabin weekend overnight stay: Creative Sunrooms

Eagle Creek overnight stay: Hydro-Gear

SCED beach bag: Graven Plumbing and Heating

G-3 Health Club one month membership: Scott State Bank

G-3 Health Club one month membership: CF&H Insurance

SCED engraved bottle of wine: West & Company

Thanks again to all of YOU – the members- who make the SCED successful! If we did not get breakfast to you we are sorry and hope you will stop by next year.

Moultrie County Dove, Domestic Violence Program, is moving their office on October 1st. Their new address will be: 1101 West Jackson Street, Suite #4, Sullivan IL. in the Illinois Farm Bureau building.

October is Domestic Violence Awareness Month. Dove will hold a Candle Light Service in honor of victims on October 17th at 6:30pm in their new office building.
